Presidents' Message

Happy New Year!

We hope everyone had a good holiday!

Pam Barrett and **Jim Hill** yet again produced an outstanding Holiday Party last month! See Page 2 for a photo recap.

Thanks to everyone who contributed gifts to the Salvation Army "Angels" and men's clothing for Harbor-UCLA Medical Center patients. **Jan Charlin, Allison Jones and Geneva Martin** delivered your donations on December 12th, receiving much appreciation from the hospital staff. **Toni Sargent** made sure all your toys and gifts brought smiles to the Salvation Army's *Little Angels*.

Calling all scribes! We need your help taking minutes at two board and member meetings. Please let us know if you can give Toni Ziegler a hand! Also, the Nominating Committee needs people to fill officer positions for 2013-14. As you know, we can't do this without **you!**

Geneva Martin & Nancy Weaver

January 22 Meeting

We're kicking off the new year with orchids! You won't want to miss this meeting featuring George Hatfield of *Hatfield Orchids*. As an orchid judge for the CSA and AOS, he has extensive experience to share with us. Since he specializes in Cymbidium Orchids and award winning plants, this is the time to find out more about the care and nurturing of your orchids. Brought to you by **Marilyn Rubin** via an ardent referral by **Bobbie Davison**, a slide show, lecture, and Q&A await you!

Penny Pines, Please!

New Years' clean-out? Don't toss your stuff—donate it to Penny Pines! Whether new or gently used, bring items to **Charlie Sappington's** home about a week prior to the meeting, which gives her time to price and tag them. Remember, you can also bring plant seedlings, too!

Holiday Luncheon Recap

If you were able to attend the Holiday Luncheon at the Blue Water Grill on December 2, you know what a fantastic event that was. **Pam Barrett** and **Jim Hill** (disguised as Mr. & Mrs. Claus) orchestrated hours of fun, food, and festivities. Entertainment was again provided by **Cali Rose**, singer, musician, and engaging humorist. She was such an entertaining performer, no wonder Pam brought her back another year!

During the holidays, **Marilyn and Sherwin Rubin** were busy acquiring donations for the Riviera Garden Club. They reached out to the Hollywood Riviera real estate agents and received donations for 27 of Sherwin's *History of the Hollywood Riviera* DVDs that he created for the Historical Home Tour and the Torrance Centennial. A total of approximately 250 DVDs have been given to donors, bringing in approximately \$3,700 for the Club. Many, many thanks to **Sherwin and Marilyn!**

February 26 Meeting

Our featured speaker February 26th will be **Sue Kirby**, who encourages, enlightens, and entertains people to be star performers at work, in volunteer organizations, and in life. Her program, *Stars out of Sparks*, is packed with wisdom and tips to empower people to be more successful. Her exceptional gift of storytelling has audiences laughing in the aisles, glowing with pride and renewed energy to be star performers. Sue's message is simple . . . "People learn when they are laughing."

Compliance Corner Rules for Raffles

By George Unrine

Raffles are a way for a non-profit to raise money for it's organization and only non-profit organizations (incorporated or not) are allowed to hold them. The primary benefit of a raffle vs. a straight sale or an auction is that the gross proceeds are not subject to sales tax. The state allows non-profits to hold raffles because the proceeds will not directly benefit any individual in the

organization but can help the organization fulfill its public benefit goals. That said, the state has at least two concerns about raffles. First, raffles should not be used as a roundabout way of funneling organizational assets to an individual. To help avoid this possibility, the state requires that 90% of the gross proceeds go for charitable purposes, meaning the organiza-

tion cannot spend more than 10% of the gross proceeds acquiring the prizes or holding the raffle. Any additional resources to acquire the prizes or hold the raffle must be donations that do not go through the organization's checking account. Examples would be goods or services donated by members or businesses but not

Outstanding Landscape Awards

The Riviera Garden Club, in conjunction with the Riviera Homeowners' Association, proudly congratulates these Riviera homeowners, with appreciation for beautifully enhancing our area and community.

"No occupation is so delightful to me as the culture of the earth, and no culture comparable to that of the garden." — Thomas Jefferson

Jan. 2013—The Johnson/Ha Residence—437 Via el Chico. Decorative stone and gravel frame the sculpture garden of this beautifully remodeled home, graced by a prospering palm.

Nov. 2012—The Fitzpatrick Residence—459 Castellana. A variety of roses, a colorful brick walkway, and a white picket fence add country charm to this beautiful home.

Oct. 2012—The Paulsen Residence—140 Via los Miradores. Fescue, kangaroo paw, dymondia, flax and mondo grass complement larger tropical plants in the courtyard.

monetary donations to the organization. Note that nothing prohibits the value of the donations from exceeding the gross proceeds — that often happens. Obviously, 50/50 raffles, though very common, are not allowed.

Second, raffles should not be a way of avoiding the tax on alcoholic beverages. Thus, bottles of wine, also very common, are not allowed in prize baskets.

The State Attorney General is charged with ensuring that these two goals are met. All non-profit, public benefit organizations (that's us) are required to register with the Attorney General as a charitable trust (more on that in another article). We have done so. Then, before holding a raffle, organizations must file a report with the Attorney General describing the raffle. Fortunately, several raffles can be included in one report. After each raffle is held, the results must be reported

to the Attorney General. The primary reason we have not been holding Penny Pines raffles is that we are waiting for our 501(c)(3) determination letter from the IRS (any day now) to clarify our status. After that happens, the Board of Directors may then decide to again hold raffles as a means of fundraising.

And one last thought. A door prize drawing, where everyone is given a ticket to determine who gets the prize(s) is not considered a raffle.
